## Headteacher Comments

Dear Parents and Carers,

We have had a jammed packed week - the children have participated both in National Recycling day and National Fitness Day. I would like to thank our school community for making both days a huge success. Over the weekend please can you check your child's uniform as we have had several reports of missing uniform items.

We have received an overwhelming amount of applications for the role of Parent Governor. We will be holding an election next week and will provide parents with information about the candidates and issue ballot papers for your vote. This week we also had our monitoring visit from Ofsted, thank you for your support and prayers during this time. You will be notified of the outcome of our monitoring visit in due course.

Blessings

Mrs Madden

## Safeguarding

### Transition to Secondary School

The Year six class have been considering the advantages and disadvantages that come with owning a mobile phone. In line with our safeguarding policy, pupils are well aware of the new regulations pertaining to 'upskirting' as a criminal offence. It is essential that they are aware of this as they transition from the primary to secondary school.

For more information on this, please see <https://www.gov.uk/government/news/upskirting-know-your-rights>

Mrs Adewole  
Deputy Head & Safeguarding Lead

## Parent Representative

I would like to thank all applicants for applying for the role of Parent Representative I am pleased to advise that our new Parent Representatives are:

Nursery - VACANT  
Reception – VACANT  
Year 1 - Nishtha Kanagaraj & Indu Pandian  
Year 2 - Kerrine Guthrie  
Year 3 – Ketiwe Nhende  
Year 4 - Sarah Haque & Alix Roberts  
Year 5 - Asha Chhabhaiya & Stanimira B  
Year 6 - Laxmi Shah / Marie Roswell

There is still time to register to be the parent representative in classes where there are vacancies.

I would like to meet with all Parent Representatives on Friday 11th October 2019 at 1:00pm in the school hall.

# Attendance

Each school in the local authority has an attendance target which is set for them. This year our published school attendance target is 96%. Please see below for all classes with 100% attendance this week:

Class	Attendance
Nursery	98.1%
Reception	91.6%
Year 1	99.0%
Year 2	96.6%
Year 3	100%
Year 4	100%
Year 5	100%
Year 6	99.5%

If you are requesting time off for your child for exceptional circumstances such as an operation, you **must** complete an Absence Request Form. You can get an Absence Request Form from the office.

At the end of the academic year 2018/19, a questionnaire was sent out to parents asking for their views on e-safety. Majority of the respondents expressed their desire for the school to support them with their knowledge and understanding of the current e-safety risks. I am therefore delighted to announce that we at Stanborough Primary School have shown our commitment to protecting our pupils online and have worked with National Online Safety to deliver an interactive online workshop for all our parents & carers. Please find below the URL you need to visit to register your account. You will need to complete your details and select "I am a: Parent/Carer" from the dropdown:

<https://lms.nationalonlinesafety.com/school/StanboroughPrimary>

Once you have registered, you will be able to access the "Online Safety for Parents and Carers" course and National Online Safety's Resources (which includes 50+ online platform guides on the latest social media channels and games). This aims to help empower parents with the knowledge to protect their children from the dangers of the internet.

If you have any questions, or trouble accessing the course please contact:

### **National Recycling Day & National Fitness Day**

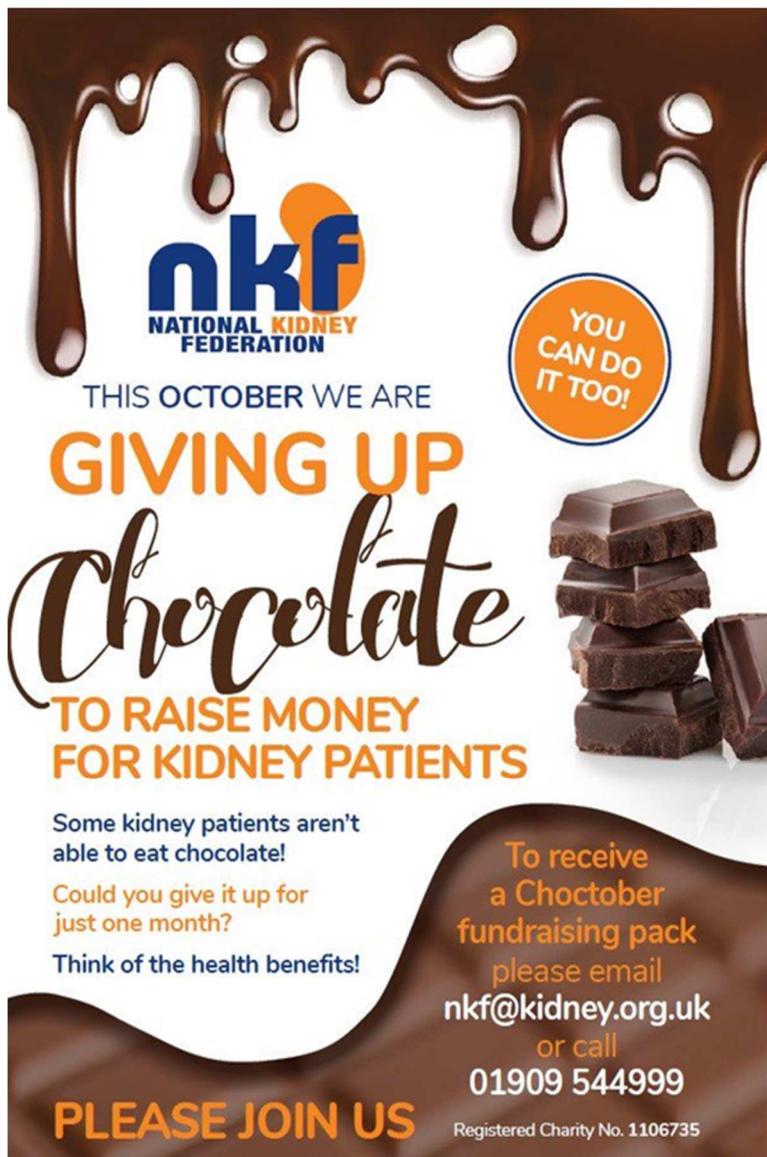

Thank you very much to Mr. Simon Harris from Veolia for coming to the school on Tuesday to talk about recycling and lead the children in a practical recycling activity. The children found the visit very informative and they all enjoyed the opportunity to exchange their items. Thank you also for your support in this, we hope that we have sparked some interesting conversations about what goes in which bin and how we can recycle.

Thank you also to Coach, who came in and ran a circuit training session with the children on Wednesday. Everyone got involved (even some teachers) and spent time getting some good-quality exercise. Thank you to parents and carers for supporting this by encouraging children to bring in their PE kits.

# CHOCTOBER 2019

**nkf**  
NATIONAL KIDNEY  
FEDERATION

THIS OCTOBER WE ARE  
**GIVING UP**  
*Chocolate*  
**TO RAISE MONEY  
FOR KIDNEY PATIENTS**

YOU  
CAN DO  
IT TOO!

Some kidney patients aren't  
able to eat chocolate!  
Could you give it up for  
just one month?  
Think of the health benefits!

To receive  
a Choctober  
fundraising pack  
please email  
[nkf@kidney.org.uk](mailto:nkf@kidney.org.uk)  
or call

**PLEASE JOIN US** Registered Charity No. 1106735

Choctober is back for another year, if you have not heard of Choctober before, it's where we ask you to give up chocolate for the month of October, this is because lots of kidney patients are not allowed to eat chocolate, so to highlight kidney disease and raise some vital funds we would love you to take part.

## Why are we asking Stanborough Primary School to take part?

This is something very close to my heart. As many of you are aware I am a kidney cancer survivor of 4 years now, and as a result I am living with one kidney. My husband had a successful kidney transplant a year ago as a result of kidney disease

and then ultimately failure. As you can see my family have needed and will continue to need the support of the national kidney federation for life. I would love for you to join me in raising awareness and supporting such a worthy cause. **Let's give up chocolate for just one month and imagine the health benefits and losing even some extra pounds one way or another 😊**

Please look out for the just giving page information next week and sponsor sheets.

Thank you

Mrs Roberts-Dean
